

A new vision
of prefabricated bathroom pods

Ergonomics

As a specialist in prefabricated bathroom pods, AQUADREAM has designed range of products for student residence and disabled people.

Quality

At AQUADREAM, we have cutting edge industrial capabilities to meet the high demand for our pods.

Adaptability

In new constructions and refurbishments (assembled on site), AQUADREAM bathroom pods will meet all your requirements.

AQUADREAM,
Performance, comfort and
convenience in an eco-friendly
line:
